

ANNUAL DAY REPORT-2017

Academic Programme

Our college was affiliated to the Tamilnadu Dr.MGR Medical University, in the year 2008 with a B.Sc in Physician Assistant, a three year degree programme and expanded its horizons with B.Sc in Operation theatre and Anesthesia Technology, Critical Care Technology, Accident and Emergency Care Technology and Radiology Imaging Technology, M.B.A (Hospital and Health system) in 2010 and B.Sc Dialysis Technology in 2014. Since 2008, we have become a constituent institution of The Tamilnadu Dr.MGR Medical University, Chennai for 9 new Post Doctoral Fellowship programmes and in 2013 we initiated doctorate programme in Liver Disease as the first institution in India.

Today, the college is offering 4 years B.Sc degree programme in 6 specializations, MBA and positioned as one of the largest Graduate, Postgraduate and research institution in the fraternity of Allied Health Sciences. From Next academic year (2017) we are starting Master in Hospital Administration (MHA) for the graduate candidates to upgrade themselves into post graduates.

Admission

The student's admission is monitored by a duly constituted 'Admission Committee'. The admission of student is purely on merit, entrance exam marks and also in accordance with the guidelines of the Government of Tamil Nadu and the Tamilnadu Dr.MGR medical University. **NO CAPITATION FEE IS COLLECTED AND NO RECOMMENDATION IS ENTERTAINED.**

In the academic year 2011-12, the number of student enrollment in B.Sc. was 4.

In the academic year 2012-13, the number of student enrollment in B.Sc. was 5.

In the academic year 2013-14, the number of student enrollment in B.Sc. was 24.

In the academic year 2015-16, the number of student enrollment in B.Sc. was 34.

In the academic year 2016-17, the number of student enrollment in B.Sc. was 45.

Faculty

We have a team of 45 learned and experienced faculty members comprising Doctors and paramedics - 14 Professors, 15 associate Professors and 16 Assistant Professors, apart from 2 eminent professors along with 4 non-teaching, supporting and administrative staff.

Infrastructure

We have 8 class rooms with 3 mobile LCD projectors, 4 lecture Hall, 1 Seminar hall, 1 Main Auditorium, 1 mini auditorium, 6 undergraduate laboratories, 2 post graduate and research laboratories under 6 departments.

Library

The college library has a collection of more than 1500 books out of which about 500 are reference books. It subscribes to more than 10 Magazines and Journals and 3 newspapers. More networking and Wi-Fi access points are planned and the work is in progress in this year. From this institution has the access for Clinical Key and has membership with few university libraries.

Academic Section

The academic session for 2016-2017 batches was commenced on August 05, 2016 with an orientation programme for the first year students. Welcome Party for fresher was Organised in the same month with sensitization program about curbing the act of ragging. As per the Ministry of HRD, Government of India, all students were registered undertakings/affidavits.

University Results

The results of the examinations conducted by The Tamil nadu Dr.MGR Medical University in the academic year 2014-15 were encouraging with 85 to 100% in various B.Sc and 100% in MBA programmes. However, we are continuously striving hard strategically to improve the percentage of results especially in the first year of the undergraduate programmes.

Cultural and Extra Curricular Activities

We also provide ample opportunities for our students to excel in co-curricular and extracurricular activities. With the support of our chairman, at our institution there is no division in the name of cast, creed, religion, language and region. Like every year, this year also the association activities helped our students to exhibit their talents both inside and outside the campus. This year also several student centric activities were organized. Pongal day, Republic Day, Independence Day, Fresher's Day, Teacher's Day, Breast cancer awareness day, Radiographer's day, Onam day, Deepavali day, Christmas day and International Women's Day were celebrated with great involvement and enthusiasm by students and staff, along with our hospital.
